Thank you for the opportunity to comment on these two initiatives. Both these initiatives are primarily process oriented and are implementing changes made to the EP Act. As such, there are minimal implications for the Local Government sector and WALGA has no comment to make on them.

Our work regularly takes us across the State and as such WALGA would like to acknowledge the many traditional owners of the land on which we work throughout Western Australia. We pay our respects to their Elders, past, present and emerging.
